"Everyday Etiquette and Habits for Kids"

"Clean your room and make your bed. Wash your hands before you eat. Brush your teeth twice a day. Say please and thank you. Share your toys with others. Listen to your parents and teachers. Be kind to animals. Use your words instead of hitting. Look both ways before crossing the street. Stay close when you're in crowded places. Eat your vegetables. Be respectful to everyone you meet. Remember to have fun and laugh every day."

"Actions for Environmental Conservation"

"To protect our planet, we must take action. Turn off lights and appliances when not in use to save energy. Recycle paper, plastic, glass, and metal to reduce waste. Use reusable bags and bottles instead of disposable ones. Fix leaks to conserve water, and take shorter showers. Plant trees and flowers to support biodiversity and clean the air. Walk, bike, or use public transportation to reduce emissions. Educate others about the importance of conservation. Support businesses that are eco-friendly and sustainable. Participate in community clean-up events to keep our environment clean. Advocate for policies that protect our planet for future generations."
